This bill, which ultimately failed, would have led to 23 million more Americans without health insurance by 2026.

- **voted against the [confirmation of Jeff Sessions](#)** as Attorney General, which CDF opposed due to concerns about Sessions's poor record on civil rights and criminal justice.
- **voted against [H.J.RES.57](#)**, the resolution that nullified a Department of Education rule providing for federal standards for states implementing plans to meet the needs of historically marginalized groups under the Elementary and Secondary Education Act of 1965.
