Sen. Moran's Key Votes for Children

- **voted for [H.R.1628](#)**, the American Health Care Act, which would have repealed Medicaid expansion under the Affordable Care Act, repealed the individual and employer health care mandates, and otherwise modified the private health insurance market. This bill, which ultimately failed, would have led to 23 million more Americans without health insurance by 2026.
- **voted for [H.R.1](#)**, the Tax Cuts and Jobs Act, which provided for tax cuts that disproportionately favor wealthy individuals and corporations. The bill is projected to add \$1.5 trillion to the national debt over ten years, which could lead to future cuts to important social safety net programs. The bill also repeals the individual health insurance mandate established under the Affordable Care Act, jeopardizing health insurance coverage for millions of people.
- **voted for [H.R.1892](#)**, the Bipartisan Budget Act, which extended CHIP for four additional years, funded a home visiting program for new mothers, funded community health centers, and modified funding and eligibility requirements for foster care prevention services.
- **voted for [H.R.1370](#)**, the Further Additional Continuing Appropriations Act, which extended funding for the government by four weeks and retroactively funded CHIP for the first half of fiscal year 2018.
- **voted for the [confirmation of Betsy DeVos](#)** as Secretary of Education, which CDF opposed due to concerns about DeVos's experience and her demonstrated opposition to robust enforcement of the Individuals with Disabilities Education Act and Title IX.
- **voted for the [confirmation of Jeff Sessions](#)** as Attorney General, which CDF opposed due to concerns about Sessions's poor record on civil rights and criminal justice.
- **voted for [H.J.RES.57](#)**, the resolution that nullified a Department of Education rule providing for federal standards for states implementing plans to meet the needs of historically marginalized groups under the Elementary and Secondary Education Act of 1965.
